CLASS OF 2025

ACADEMIC ACHIEVEMENT

CONGRATULATIONS

CLASS OF 2025

It is with great pride that I congratulate the Class of 2025 on their outstanding SACE achievements. This cohort has demonstrated remarkable academic diligence, approaching their studies with an admirable commitment to personal growth. Their results reflect not only hard work, but a willingness to stretch themselves and pursue deep learning.

What impresses me just as much as their academic success is the way our Year 12 students have balanced their final year with service, leadership, co-curricular involvement, and care for one another. They have lived out the values at the heart of St Mary's College - Community, Justice and Growth - through their actions. Whether contributing to social justice initiatives, supporting younger students, or engaging thoughtfully with the world around them, the Class of 2025 has shown what it means to lead with purpose and compassion.

As they leave the St Mary's gates, we are proud of all they have achieved and their strong contribution to our community.

Congratulations to the Class of 2025.

Heidi Senior
Principal

College Dux
Katia Principe
98.55

Katia demonstrated consistent academic excellence across Biology, Psychology, English and General Mathematics, earning Merits in Psychology and General Mathematics. She approaches her learning with focus and curiosity and is now planning a future pathway in Allied Health.

Proxime Accessit
Cally Stephens
97.80

Cally achieved outstanding results across Chemistry, English Literary Studies, Mathematical Methods and Physics. A thoughtful and analytical learner, she is pursuing a pathway in Science and brings a strong passion for inquiry and problem-solving to her studies.
